Ondo I LP
c/o NAV Consulting, Inc.

Oakbrook Terrace, IL 60181
Transfer.agency@navconsulting.net

To Whom It May Concern:

The undersigned (the “Subscriber”) wishes to become a limited partner of Ondo I LP (the “Fund”), a Delaware limited partnership, and to purchase a limited partnership interest (an “Interest”) in the Fund upon the terms and conditions set forth herein, in the Confidential Private Placement Memorandum of the Fund, as the same may be updated or modified from time to time (the “Memorandum”), and in the Limited Partnership Agreement of the Fund, as the same may be amended from time to time (the “Partnership Agreement”). Capitalized terms used herein but not defined herein shall have the meanings assigned to them in the Partnership Agreement.

Accordingly, the Subscriber agrees as follows:

1. Subscription. Please check the appropriate boxes:

- **Capital Contribution.** The Subscriber hereby irrevocably subscribes for the dollar amount of Interests in the Fund in the following amount:

- ☐ OUSG Interests Subscription Amount: US\$ _____
- ☐ OSTB Interests Subscription Amount: US\$ _____
- ☐ OHYG Interests Subscription Amount: US\$ _____
- ☐ OMMF Interests Subscription Amount: US\$ _____

- **In-Kind Contribution.** The Subscriber hereby irrevocably subscribes for the Interests in the Fund, with an In-Kind Contribution of Digital Assets, valued as of 11:59pm UTC on the date the In-Kind Contribution is credited to the Fund, in accordance with the General Partner’s valuation policy:

Digital Asset	Amount in Digital Asset
▪ USDC	
▪ USDT	
▪ Other Stablecoin (please specify):	

- ☐ OUSG Interests Subscription Amount: US\$ _____
- ☐ OSTB Interests Subscription Amount: US\$ _____

☐ OHYG Interests Subscription Amount: US\$ _____

☐ OMMF Interests Subscription Amount: US\$ _____

Changes in relative value of the Digital Asset(s) against the U.S. dollar will affect the value of the In-Kind Contribution and may result in a Subscriber's Capital Account being credited with a higher or lower U.S. dollar value than the U.S dollar value of the In-Kind Contribution at the time it is sent to the Fund. Moreover, all of the risks of Digital Assets will thus be borne directly by the Subscriber during the period from when such In-Kind Contribution is accepted by the Fund and when such In-Kind Contribution is credited to the Fund.

The Subscriber understands and agrees that the General Partner may accept or reject the amount of any subscription for an Interest in whole or in part. If the subscription is rejected, payment received by the Fund from the Subscriber, if any, will be returned, without interest, promptly to the Subscriber and this subscription agreement (the "Subscription Agreement") shall have no force or effect. Upon acceptance of this subscription by the Fund, the Subscriber shall become a Limited Partner in the Fund.

The Subscriber's Capital Contribution will generally be credited to the Fund on the same Business Day, subject to the requirements as described immediately below.

Capital Contributions in connection with a subscription of OUSG Limited Partnership Interests must be received by the Fund at or prior to 4 p.m. Eastern Time of such Business Day. Capital Contributions in connection with a subscription of OUSG Limited Partnership Interests received by the Fund after 4 p.m. Eastern Time will be considered as a subscription in advance and be credited to the Fund on the following Business Day.

Capital Contributions in connection with a subscription of OMMF Limited Partnership Interests must be received by the Fund at or prior to 3 p.m. Eastern Time of such Business Day. Capital Contributions in connection with a subscription of OMMF Limited Partnership Interests received by the Fund after 3 p.m. Eastern Time will be considered as a subscription in advance and be credited to the Fund on the following Business Day.

2. Representations and Warranties of the Subscriber. To induce the General Partner to accept this Subscription Agreement on behalf of the Fund, the Subscriber hereby represents, warrants, and covenants to the General Partner and the Fund as follows:

- (a) The Subscriber will not sell or otherwise transfer the Interest without registration under the Securities Act of 1933, as amended (the "Securities Act"), or an exemption therefrom. The Subscriber understands and agrees that it must bear the economic risk of its investment for an indefinite period of time (subject to limited rights of withdrawal provided in the Partnership Agreement) because, among other reasons, the Interest has not been registered under the Securities Act or under the securities laws of certain states and, therefore, cannot be resold, pledged, assigned or otherwise disposed of unless it is so registered or an exemption from registration is available. The Subscriber understands that the Fund is under no obligation to register the Interest on its behalf or to assist it in complying with any exemption from registration under the Securities Act.

- (b) The Interests can only be Transferred (as defined in the Partnership Agreement) with the prior authorization of the General Partner, which may be withheld in the General Partner's sole discretion. Notwithstanding the foregoing, as set forth in the Partnership Agreement, in the event that the Interests are represented by Token Units (as defined in the Partnership Agreement), the Transfer of an ownership interest in the Fund may only be accomplished pursuant to the Transfer of Token Units. In addition, in connection with the foregoing, the Subscriber may Transfer its Token Units (i) to an "external owned account" ("EOA") then on a whitelist of EOAs maintained by the General Partner or (ii) by virtue of interacting with a smart contract address then on a whitelist of smart contract addresses maintained by the General Partner, in each case without the prior written consent of the General Partner. Pursuant to the foregoing, in the event of any Transfer of Token Units to an EOA, the holder of such EOA will thereby be admitted as a Limited Partner of the Fund, and the books and records of the Fund will be updated accordingly. All potential Transferees must be on a whitelist maintained by the General Partner. If an EOA or smart contract address is not whitelisted on the Fund's records, then any putative Transfer of Token Units (x) to such potential EOA or (y) by virtue of interacting with such smart contract address will be null and void and of no force or effect.
- (c) The Subscriber understands and acknowledges that the General Partner in its sole discretion may cause a compulsory withdrawal of all or any portion of the Subscriber's Interest in accordance with the Partnership Agreement. In addition, in the event that a transfer of Token Units would (i) adversely affect the Fund's and/or any offer or sale of any Token Units' reliance on an exemption from registration under the Securities Act or (ii) adversely affect the Fund's reliance on the Fund's exclusion from the status of being an "investment company" within the meaning of the Investment Company Act, in each case as determined by the General Partner in its sole discretion, then the General Partner, in its sole discretion, may require the Subscriber to redeem some or all of its Token Units at any time pursuant to the Partnership Agreement or terminate or otherwise destroying such transferee's Token Units.
- (d) The Subscriber has received, carefully read, and understands the Partnership Agreement and the Memorandum outlining, among other things, the organization and investment objectives and policies of, and the risks and expenses of an investment in, the Fund. The Subscriber acknowledges that it has made an independent decision to invest in the Fund and that, in making its decision to subscribe for an Interest, the Subscriber has relied solely upon the Memorandum, the Partnership Agreement and independent investigations made by the Subscriber. The Subscriber is not relying on the Fund or the General Partner, or any other person or entity with respect to the legal, tax and other economic considerations involved in this investment other than the Subscriber's own advisers. The Subscriber's investment in the Interest is consistent with the investment purposes, objectives and cash flow requirements of the Subscriber and will not adversely affect the Subscriber's overall need for diversification and liquidity.

The Subscriber has been provided an opportunity to obtain any additional information concerning the offering, the Fund, and all other information to the extent the Fund or the General Partner possesses such information or can acquire it without unreasonable effort or expense, and has been given the opportunity to ask questions of, and receive answers from, the General Partner concerning the terms and conditions of the offering and other matters pertaining to this investment.

- (e) The Subscriber has not reproduced, duplicated, or delivered the Memorandum, the Partnership Agreement or this Subscription Agreement to any other person, except professional advisers to the Subscriber or as instructed by the General Partner. Notwithstanding the foregoing, the Subscriber (and each employee, representative or other agent of the Subscriber) may disclose to any and all persons, without limitation of any kind, the tax treatment and tax structure of (i) the Fund; and (ii) any of its transactions, and all materials of any kind (including opinions or other tax analyses) that are provided to the Subscriber relating to such tax treatment and tax structure.
- (f) The Subscriber has, together with the purchaser representative, if any, such knowledge and experience in financial and business matters that the Subscriber is capable of evaluating the merits and risks of the Subscriber's investment in the Fund and is able to bear such risks, and has obtained, in the Subscriber's judgment, sufficient information from the General Partner to evaluate the merits and risks of such investment. The Subscriber has evaluated the risks of investing in the Fund, understands there are substantial risks of loss incidental to the purchase of an Interest and has determined that the Interest is a suitable investment for the Subscriber.
- (g) The Subscriber is aware of the limited provisions for transferability and withdrawal from the Fund. The Subscriber has no need for liquidity in this investment, can afford a complete loss of the investment in the Interest and can afford to hold the investment for an indefinite period of time. The Subscriber acknowledges that distributions, including, without limitation, the proceeds of withdrawals, may be paid in cash or in-kind.

The Subscriber understands that the value of a Limited Partner's capital account and withdrawals therefrom under the Partnership Agreement, and the performance of the Fund, may be based on unaudited and in some cases, estimated, valuations of the Fund's investments and that valuations provided in a Subscriber's account statement may be an unaudited, estimated value.
- (h) The Subscriber is acquiring the Interest for its own account, for investment purposes only and not with a view toward distributing or reselling the Interest in whole or in part.
- (i) The Subscriber understands the method of compensation under the Partnership Agreement between the Fund, the General Partner, the Investment Manager, and/or any Sub-Advisors and the risks.
- (j) The Subscriber understands that no Federal or state agency has passed upon the Interests or made any findings or determination as to the fairness of this investment.
- (k) The Subscriber has all requisite power, authority and capacity to acquire and hold the Interest and to execute, deliver and comply with the terms of each of the instruments required to be executed and delivered by the Subscriber in connection with the Subscriber's subscription for the Interest, including this Subscription Agreement, and such execution, delivery and compliance does not conflict with, or constitute a default under, any instruments governing the Subscriber, or violate any law, regulation or order, or any agreement to which the Subscriber is a party or by which the Subscriber may be bound. If the Subscriber is an entity, the person executing and delivering each of such

instruments on behalf of the Subscriber has all requisite power, authority and capacity to execute and deliver such instruments, and such entity is duly formed and organized, validly existing, and in good standing under the laws of its jurisdiction of formation, and such entity is authorized by its governing documents to execute, deliver, and perform its obligations under this Subscription Agreement and to become a limited partner in the Fund. The person executing this Subscription Agreement on behalf of the Subscriber will, upon request by the Fund or the General Partner, furnish to the Fund true and correct copies of any instruments governing the Subscriber, including all amendments thereto.

- (l) All information which the Subscriber has provided to the Fund or the General Partner concerning the Subscriber, the Subscriber's status, financial position and knowledge and experience of financial, tax and business matters, or, in the case of a Subscriber that is an entity, the knowledge and experience of financial, tax and business matters of the person making the investment decision on behalf of such entity, is correct and complete as of the date set forth herein.
- (m) Subscriber understands that the Fund will not register as an investment company under the Investment Company Act of 1940, as amended (the "Investment Company Act"), nor will it make a public offering of its securities within the United States.

The Subscriber acknowledges that the Fund reserves the right to refuse any transfer of the Interests if the effect of a transfer would cause the Fund to be required to register as an investment company under the Investment Company Act.

- (n) The Subscriber represents and warrants that it is an "accredited investor" as such term is defined pursuant to Regulation D promulgated under the Securities Act and a "qualified purchaser" as defined in Section 2(a)(51)(A) under the Investment Company Act, the definition of which is set forth in the attached suitability questionnaire ("Suitability Questionnaire"). The Subscriber further understands that neither the General Partner, Investment Manager, nor its principals or affiliates are registered as investment advisers pursuant to the Investment Advisers Act of 1940, as amended (the "Investment Advisers Act") or the securities laws of any state. Sub-Advisors engaged by the Investment Manager may potentially be registered as an investment adviser pursuant to the Investment Advisers Act or the securities laws of any state.
- (o) If the Subscriber is a "plan" as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA") that is subject to the provisions of Title I of ERISA, and/or a "plan" that is subject to the prohibited transaction provisions of Section 4975 of the Internal Revenue Code of 1986, as amended (the "Code"), or an entity whose assets are treated as "plan assets" under Section 3(42) of ERISA and any regulations promulgated thereunder (a "Plan"), the person executing this Subscription Agreement on behalf of the Plan (the "Fiduciary") represents and warrants to the Fund that:
 - (i) such person is a "fiduciary" of such Plan and trust and/or custodial account within the meaning of Section 3(21) of ERISA, and/or Section 4975(e)(3) of the Code and such person is authorized to execute the Subscription Agreement;

- (ii) unless otherwise indicated in writing to the Fund, the Plan is not a participant-directed defined contribution plan;
- (iii) the Fiduciary has considered a number of factors with respect to the Plan's investment in the Interest and has determined that, in view of such considerations, the purchase of an Interest is consistent with the Fiduciary's responsibilities under ERISA. Such factors include, but are not limited to: (a) the role such investment or investment course of action plays in that portion of the Plan's portfolio that the Fiduciary manages; (b) whether the investment or investment course of action is reasonably designed as part of that portion of the portfolio managed by the Fiduciary to further the purposes of the Plan, taking into account both the risk of loss and the opportunity for gain that could result therefrom; (c) the composition of that portion of the portfolio that the Fiduciary manages with regard to diversification; (d) the liquidity and current rate of return of that portion of the portfolio managed by the Fiduciary relative to the anticipated cash flow requirements of the Plan; (e) the projected return of that portion of the portfolio managed by the Fiduciary relative to the funding objectives of the Plan; and (f) the risks associated with an investment in the Fund and the fact that the Subscriber has only limited withdrawal rights.
- (iv) the investment in the Fund has been duly authorized under, and conforms in all respects to, the documents governing the Plan and the Fiduciary;
- (v) the Fiduciary is: (a) responsible for the decision to invest in the Fund; (b) independent of the Fund; and (c) qualified to make such investment decision;
- (vi) (a) none of the Investment Manager and/or Sub-Advisor, any of their employees or affiliates: (i) manages any part of the Subscriber's investment portfolio on a discretionary basis; (ii) regularly gives investment advice with respect to the assets of the Subscriber; (iii) has an agreement or understanding, written or unwritten, with the Subscriber under which the latter receives information, recommendations or advice concerning investments which are used as a primary basis for the Subscriber's investment decisions; or (iv) has an agreement or understanding, written or unwritten, with the Subscriber under which the latter receives individualized investment advice concerning the Subscriber's assets;

OR

(b): (i) the Fiduciary, who is independent of the Investment Manager and Sub-Advisor, has studied the Memorandum and has made an independent decision to purchase Interests solely on the basis of such Memorandum and without reliance on any other information or statements as to the appropriateness of this investment for the Subscriber; and (ii) the Subscriber represents and warrants that neither the Investment Manager, any Sub-Advisor, nor any of their employees or affiliates: (A) has exercised any investment discretion or control with respect to the Subscriber's purchase of Interests; (B) has authority, responsibility to give, or has given individualized investment advice with respect to the Subscriber's purchase of the Interests; or (C) is the employer maintaining or contributing to such Plan.

- (p) If the Subscriber is an insurance company and is investing the assets of its general account (or the assets of a wholly owned subsidiary of its general account) in the Fund, it has identified in the Suitability Questionnaire whether the assets underlying the general account constitute “plan assets” within the meaning of Section 401(c) of ERISA. The Subscriber agrees to promptly notify the General Partner in writing if there is a change in the percentage of the general account’s assets that constitute “plan assets” within the meaning of Section 401(c) of ERISA and shall disclose such new percentage ownership.
- (q) If the Subscriber is a “charitable remainder trust” within the meaning of Section 664 of the Code, the Subscriber has advised the General Partner in writing of such fact and the Subscriber acknowledges that it understands the risks, including specifically the tax risks, if any, associated with its investment in the Fund.
- (r) If the Subscriber is purchasing in a representative or fiduciary capacity, the representations and warranties herein shall be deemed to have been made on behalf of the person or persons for whom the Subscriber is so purchasing, and the Subscriber agrees to furnish to the General Partner, upon request, documentation satisfactory to the General Partner in the General Partner’s sole discretion, supporting the truthfulness of such representations and warranties as made on behalf of such person or persons.
- (s) The Subscriber understands and agrees that, although the Fund will use its reasonable efforts to keep the information provided in the answers to this Subscription Agreement strictly confidential, the Fund may present this Subscription Agreement and the information provided in answers to it to such parties (e.g., affiliates, attorneys, auditors, administrators, brokers and regulators) as it deems necessary or advisable to facilitate the acceptance and management of the Subscriber’s subscription amounts including, but not limited to, in connection with anti-money laundering and similar laws, if called upon to establish the availability under any applicable law of an exemption from registration of the Interests, the compliance with applicable law and any relevant exemptions thereto by the Fund, the General Partner or its affiliates, or if the contents thereof are relevant to any issue in any action, suit or proceeding to which the Fund, the General Partner or its affiliates are a party or by which they are or may be bound or if the information is required to facilitate the Fund’s investments. The Fund may also release information about the Subscriber (and any beneficial owners of the Subscriber) if directed to do so by the Subscriber, if compelled to do so by law or in connection with any government or self-regulatory organization request or investigation.
- (t) The Subscriber acknowledges that, if the Subscriber has used the services of a purchaser representative in connection with an investment in the Fund, such purchaser representative has disclosed, by submitting a Purchaser Representative Letter attached as Appendix 3 to these subscription documents, any material relationship between such purchaser representative or such purchaser representative’s affiliates and the Fund and its affiliates that now exists or mutually is understood to be contemplated or that has existed at any time during the previous two years, and further setting forth any compensation received or to be received as a result of such relationship.
- (u) The Subscriber acknowledges that in implementing the investment strategies of the Fund, the Investment Manager and/or Sub-Advisor may arrange, without the Limited Partner’s

consent, for securities to be bought or sold between the Fund and the accounts of other clients of the Investment Manager and/or Sub-Advisor, as applicable (including other partnerships and entities), in order to achieve the mix of securities required by the strategies.

If any answers provided or background documentation required under this Subscription Agreement is found to be false, forged, or misleading, the Subscriber understands that the General Partner may require such Subscriber to fully withdraw from the Fund as permitted under the Partnership Agreement.

- (v) The Subscriber has not been subject to any Disqualifying Event (as defined in Appendix 5 attached hereto) under Regulation D Rule 506(d) of the Securities Act and is not subject to any proceeding or event that could result in any such Disqualifying Event.
- (w) The Subscriber is not a New York resident within the meaning of Section 200.2(h) of the New York Codes, Rules and Regulations.

3. Assumption of Risk Regarding the Token Units. The Subscriber hereby represents, warrants, and covenants to the General Partner and the Fund as follows:

- (a) The Subscriber is fully aware of (i) the highly speculative nature of the Token Units, (ii) the financial hazards involved and (iii) the lack of liquidity of the Token Units and the restrictions on Transferability of the Token Units.
- (b) The Subscriber understands that the Token Units involve risks, all of which the Subscriber fully and completely assumes, including, but not limited to, the risk that (i) the technology associated with the Token Units or any technologies associated with applications, platforms or ecosystems with which the Token Units may operate, including, without limitation, smart contracts whose addresses may be whitelisted by the General Partner (any “Network Technologies”) will not function as intended, (ii) the Token Units or any or all Network Technologies will not be usable, (iii) the Network Technologies will fail to attract sufficient interest from key stakeholders, and (iv) the Network Technologies will not gain adoption and acceptance.
- (c) The Token Units will be issued, distributed, and delivered to, held on behalf of, and claimable by the Subscriber at the sole risk of the Subscriber on an “AS IS” and “UNDER DEVELOPMENT” basis.
- (d) Neither the Fund, the General Partner, the Investment Manager, any Sub-Advisor, nor any of their respective employees or affiliates operates or maintains any Network Technologies, and any Subscriber’s use of any Network Technologies will be at the sole risk of the Subscriber on an “AS IS” and “UNDER DEVELOPMENT” basis.
- (e) In the event that the Subscriber does not have and retain sole and exclusive possession to all of the private keys that are necessary and sufficient for controlling the transfer, disposition or other use of any Token Units or other Digital Assets (as defined in the Partnership Agreement) identified with each public blockchain address or wallet in which the Token Units may be held, the Subscriber may not have sole and exclusive possession and control over Token Units, and the Token Units may be transferred,

disposed of or used without the Subscriber's consent and, therefore, the Subscriber may temporarily or permanently lose possession or control over some or all of the Token Units.

- (f) In the event that any address does not technically support the Token Units, the Subscriber may fail to gain access, temporarily or permanently, to some or all of the Token Units.
- (g) In the event that (i) there is any error or typo in any address, (ii) any address is otherwise incomplete or (iii) any address is not a public address on the applicable blockchain or otherwise is not capable of technically supporting the applicable Token Units, the Subscriber may never gain access to some or all the Token Units and some or all the Token Units may be permanently lost and unrecoverable.
- (h) Token Units and/or any or all Network Technologies may be susceptible to bugs, exploits, hacks, phishing schemes, fraud, or other vulnerabilities, and Token Units and/or other Digital Assets may be temporarily or permanently lost in an event arising from any such vulnerability.

4. **U.S. Foreign Account Tax Compliance Act.** The Subscriber covenants that: (i) it will provide any form, certification or other information reasonably requested by and acceptable to the Fund that is necessary for the Fund (A) to prevent withholding or qualify for a reduced rate of withholding or backup withholding in any jurisdiction from or through which the Fund receives payments or (B) to satisfy reporting or other obligations under the Code and the Treasury Regulations; (ii) it will update or replace such form, certification or other information in accordance with its terms or subsequent amendments; and (iii) it will otherwise comply with any reporting obligations imposed by the United States or any other jurisdiction, including reporting obligations that may be imposed by future legislation. The Subscriber understands and acknowledges that if Subscriber fails to provide any such form, certification or other information as requested, Subscriber would be subject to a withholding tax and the General Partner may take any action in relation to Subscriber's investment in the Fund or withdrawal proceeds to ensure that such withholding is economically borne by Subscriber.

5. **Rule 506(c) of Regulation D.** The Subscriber covenants that it will provide any form, certification or other information reasonably requested by and acceptable to the Partnership or third party service provider necessary for the Partnership to comply with the requirements set forth under Rule 506(c) of Regulation D, including, without limitation: (i) promptly responding to any questionnaire or survey to verify Subscriber's accredited investor status; (ii) promptly submitting any requested documentation to verify Subscriber's accredited investor status, which may include, without limitation: (A) income verification documentation, including Form 1040, Form W-2, spousal certification if income was earned jointly, and income certification, (B) net worth verification documentation, including but not limited to bank, brokerage or custodial statements, credit report, net worth certification, and spousal net worth certification and spousal credit report if assets held jointly, or (C) if Subscriber is an entity, documentation including but not limited to bank, brokerage, custodial or audited financial statements, and entity certification; and (iii) providing any further documentation necessary for the Partnership to comply with future legislation or rulemaking. The Subscriber understands and acknowledges that if Subscriber fails to provide any such form, certification or other information as requested, the General Partner may take any action in relation to Subscriber's Interest in the Partnership.

6. Elections and Audits. The Subscriber covenants and agrees to take any action reasonably requested by the Fund in connection with an election by the Fund under Section 6221(b) or 6226 of the Code, or an audit or a final adjustment of the Fund by a taxing authority (including, without limitation, promptly filing amended tax returns and promptly paying any related taxes, including penalties and interest). Without limiting the generality of the foregoing, the Subscriber covenants and agrees, if applicable, to take into account and report to the Internal Revenue Service any adjustment to its items for any reviewed year as notified to them by the Fund in a statement, in the manner provided in Section 6226(b), whether or not such Subscriber owns any Interests in the Fund in the year of the Fund's statement. Any Subscriber that fails to report its share of such adjustments on its U.S. tax return for its taxable year including the date of the Fund's statement as described immediately above shall indemnify and hold harmless the Fund, the General Partner, and each of their Affiliates from and against any and all liabilities related to taxes (including penalties and interest) imposed on the Fund as a result of the Subscriber's inaction. In addition, each Subscriber covenant and agrees to indemnify and hold harmless the Fund, the General Partner, and each of their affiliates from and against any and all liabilities related to taxes (including penalties and interest) imposed on the Fund (i) pursuant to Section 6221 of the Code, which liabilities relate to adjustments that would have been made to any item of income, gain, expense, deduction, loss or credit allocable to Partners for Federal income tax purposes allocated to such Subscriber had such adjustments been made for a tax year beginning prior to January 1, 2018 (and assuming that the Fund had not made an election to have Section 6221 of the Code as amended by P.L. 114-74 apply for such earlier tax years) and (ii) resulting from or attributable to such Subscriber's failure to comply with certain of its covenants contained in the Partnership Agreement.

- (b) The Subscriber represents, warrants and covenants that: (i) it is not, nor is any person or entity controlling, controlled by or under common control with the Subscriber, a Prohibited Person; and (ii) to the extent the Subscriber has any beneficial owners,⁴ (A) it has carried out thorough due diligence to establish the identities of such beneficial owners, (B) based on such due diligence, the Subscriber reasonably believes that no such beneficial owners are Prohibited Persons, (C) it holds the evidence of such identities and status and will maintain all such evidence for at least five years from the date of the Subscriber’s complete withdrawal from the Fund, and (D) it will make available such information and any additional information that the Fund may require upon request.
- (c) If any of the foregoing representations, warranties or covenants ceases to be true or if the Fund no longer reasonably believes that it has satisfactory evidence as to their truth, notwithstanding any other agreement to the contrary, the Fund may be obligated to freeze the Subscriber’s investment, either by prohibiting additional investments, declining or suspending any withdrawal requests and/or segregating the assets constituting the investment in accordance with applicable regulations, or the Subscriber’s investment may immediately be involuntarily withdrawn by the Fund, and the Fund may also be required to report such action and to disclose the Subscriber’s identity to OFAC or other authorities. In the event that the Fund is required to take any of the foregoing actions, the Subscriber understands and agrees that it shall have no claim against the Fund, the General Partner, the Investment Manager, any Sub-Advisor, and their respective affiliates, directors, members, partners, shareholders, officers, employees and agents for any form of damages as a result of any of the aforementioned actions.
- (d) The Subscriber understands and agrees that any withdrawal proceeds paid to it will be paid to the same account from which the Subscriber’s investment in the Fund was originally remitted, unless the General Partner, in its sole discretion, agrees otherwise.

³ Foreign shell bank means a foreign bank without a physical presence in any country, but does not include a regulated affiliate. A post office box or electronic address would not be considered a physical presence. If the Subscriber is a publicly-traded company, it need not conduct due diligence as to its beneficial owners.

- (e) The Fund reserves the right to request such information as is necessary to verify the identity of a Subscriber or its beneficial owners. To ensure compliance with statutory and other requirements relating to anti-money laundering, the Fund may require verification of identity from any person submitting a completed Agreement. Pending the provision of evidence satisfactory to the Fund as to identity, the evidence of title in respect of Limited Partnership interests may be retained in the absolute discretion of the Fund. If within a reasonable period of time following a request for verification of identity, the Fund has not received evidence satisfactory to each as aforesaid, it may, in its absolute discretion, refuse to admit the Subscriber to the Fund, in which event subscription monies will be returned without interest to the account from which such monies were originally debited. Subscription monies may be rejected by the Fund if the remitting bank or financial institution is unknown to the Fund. An individual may be required to produce a copy of a passport or identification card certified by a notary public. The Subscriber represents and warrants that the information contained in this Subscription Agreement and in the Suitability Questionnaire is true and correct as of the date hereof and agrees to notify immediately the General Partner of any changes in such information (or, if there have been any changes in the information provided to the Fund by the Subscriber in the Suitability Questionnaire since the date the Suitability Questionnaire was furnished, the Subscriber has advised the Fund in writing of such changes). In particular, but without limiting the generality of the foregoing, the Subscriber represents and warrants that the foregoing notification obligation shall continue to apply in the event that the Subscriber receives Token Units from an existing Limited Partner pursuant to a secondary transfer made in accordance with the Partnership Agreement. The Subscriber hereby agrees to indemnify and hold harmless the Fund and each general and limited partner thereof from and against any and all losses, damages, expenses, liabilities or reasonable attorneys' fees (including attorneys' fees and expenses incurred in a securities or other action in which no judgment in favor of the Subscriber is rendered) due to or arising out of (a) failure to notify the General Partner of any changes regarding the information contained in this Subscription Agreement or the Suitability Questionnaire or (b) a breach of any representation or warranty of the Subscriber, whether contained in the Partnership Agreement, this Subscription Agreement or the Suitability Questionnaire. Notwithstanding any of the representations, warranties, acknowledgments or agreements made in this Subscription Agreement and in the Suitability Questionnaire by the Subscriber, the Subscriber does not thereby or in any other manner waive any rights granted to the Subscriber under Federal or state securities law.
- 9. Survival of Representations and Warranties** In the event that this subscription is accepted, the Subscriber agrees that the representations, warranties and agreements set forth in this Subscription Agreement and in the Suitability Questionnaire shall survive the acceptance of this

The Subscriber also agrees to indemnify the Fund, the General Partner, the Investment Manager, any Sub-Advisor, and their affiliates and agents for any and all costs, fees and expenses (including legal fees and disbursements) in connection with any damages resulting from the Subscriber's assertion of lack of proper authorization from the beneficial owner to enter into this Subscription Agreement or perform the obligations hereof.
- 11. Communications to Subscriber.** The Subscriber represents, warrants, and agrees that by providing the Fund with an e-mail address, Subscriber consents to the receipt of statements, reports and other communications (including but not limited to net asset value information, subscription and withdrawal activity, Schedule K-1 statements and audited financial statements) relating to the Fund and Subscriber's investment in the Fund in electronic form. Subscriber represents that Subscriber has accessed this Agreement as an Adobe PDF document and understands Adobe PDF will be the format in which Schedule K-1 statements will be provided. By consenting to electronic receipt of communications, Subscriber acknowledges that e-mails and other electronic communications from the Fund, the General Partner, the Investment Manager, any Sub-Advisor, and/or the Administrator may be accessed by recipients other than the Subscriber and may be interfered with, may contain computer viruses or other defects and may not be successfully replicated on other systems. The Fund, the General Partner, the Investment Manager, each Sub-Advisor, and the Administrator each give no warranties in relation to these matters. Subscriber understands and agrees that Subscriber's consent to receipt of electronic statements, reports and other communications shall be valid until Subscriber withdraws such consent by notifying the Fund and the General Partner in writing. Such withdrawal of consent will take effect on a subsequent date determined by the Fund and communicated to the Subscriber within a reasonable period of time after the Fund receives the written withdrawal of consent and the withdrawal of consent will not apply to any statements, reports or other communications that were furnished electronically before the date on which the withdrawal of consent becomes effective. Subscriber understands and agrees that Schedule K-1 statements will be furnished on paper if Subscriber does not consent to electronic receipt. Subscriber represents and warrants that Subscriber has all necessary hardware and software necessary to access, print and retain the electronic statements, reports, and other communications
- 12. Binding Nature.** Upon acceptance by the General Partner of the subscription of the Subscriber, the Subscriber will become a Limited Partner and be bound by the terms of the Partnership Agreement.

- 13. Entire Agreement.** This Subscription Agreement, together with the Partnership Agreement, constitutes the entire understanding of the parties with respect to the subject matter hereof and supersedes all prior or contemporaneous agreements or understandings of the parties related hereto. This Subscription Agreement may only be modified or amended by an instrument in writing signed by the parties hereto.
- 14. Representation by Counsel.** The Subscriber understands that Cole-Frieman & Mallon LLP has acted as counsel to the Fund, the General Partner, the Investment Manager, and their affiliates in connection with this offering of Interests. In addition, the Subscriber understands that the Fund has selected Orrick Herrington & Sutcliffe LLP as legal counsel to the Fund, the General Partner, the Investment Manager, and their affiliates with respect to certain matters relating to the tokenization of Interests and other related matters (“Orrick” and together with Cole-Frieman & Mallon LLP, the “Fund Counsel”). The Subscriber also understands that, in connection with this offering of Interests and subsequent advice to the Fund, the General Partner, the Investment Manager, and their affiliates, Fund Counsel will not be representing investors in the Fund, including the Subscriber, and no independent counsel has been retained to represent investors in the Fund.

The Subscriber further acknowledges and agrees that Fund Counsel’s representation of the Fund, the General Partner, the Investment Manager and their respective affiliates is limited to specific matters as to which it has been consulted by the Fund, the General Partner, the Investment Manager and/or their respective affiliates. There may exist other matters which could have a bearing on the Fund, the General Partner, the Investment Manager, or their respective affiliates as to which it has not been consulted. In addition, Fund Counsel does not undertake to monitor the compliance of the General Partner and its affiliates with the investment program, valuation procedures and other guidelines set forth in the Memorandum, nor does it monitor compliance with applicable laws.
